## VISITORS POLICY

### Help for non-English speakers

If you need help to understand the information in this policy, please contact the school's administration office.

### PURPOSE

To provide a safe and secure learning and teaching environment for students and staff by establishing processes to monitor and manage visitors to Gamadji Primary School.

### SCOPE

This policy outlines our school's arrangements for visitors who attend school grounds when the school is open for instruction between the hours of 8:15am to 4:00pm, and when the administration office is staffed to monitor/receive visitors at reception, including parents and contractors. Outside of these times, our administration office is not staffed and this policy does not apply.

### DEFINITIONS

*Child-related work:* As defined by the *Worker Screening Act 2020 (Vic)*, child-related work is work that usually involves direct contact (including in person, over the phone, written and online communication) with a child that is a central part of that person's duties. It does not include work that involves occasional direct contact with children that is incidental to the work.

### POLICY

Gamadji Primary School is not a public place. The Principal has the authority to permit or deny entry to school grounds, and encourages all visitors to familiarise themselves with our school's *Statement of Values and School Philosophy*, *Child Safety and Wellbeing Policy*, *Child Safety Code of Conduct* and *Volunteers Policy*.

- Return to the administration office upon departure, sign out of the Student Management System kiosk and return visitor's lanyard/name tag.

### Working with Children Clearance and other suitability checks

For Working with Children (WWC) Check and other suitability check requirements relating to parents/carers and other volunteers working with students please see our *Volunteers Policy*.

All visitors who are engaged in **child-related work** must have a valid WWC Clearance. Additional suitability checks may also be required such as reference, proof of identity, qualification and work history involving children checks.

All visitors to Gamadji Primary School who are **not** engaged in child-related work will also be required to produce a valid WWC Clearance.

Gamadji Primary School will require a valid WWC Clearance for visitors (e.g. contractors), who will be performing unsupervised work at the school during school hours or any other time where children are

present. Further background checks, including references, may also be requested at the discretion of the Principal.

Visitors who will be supervised and accompanied by a staff member during their visit (e.g. a Member of Parliament, a prospective parent on a school tour) will not be required to have a WWC Clearance.

Sworn Victoria Police officers or sworn Australian Federal Police officers are exempt from requiring a WWC Check but will be asked to verify that they are sworn officers by providing proof of identification.

### Invited speakers and presenters

On occasion, Gamadji Primary School may invite external speakers or providers to deliver incursions, presentations, workshops and special programs for our students. Consistent with Department of Education requirements, Gamadji Primary School will:

- ensure that the content of presentations and programs by external providers contributes to the educational development of our students and is consistent with curriculum objectives
- ensure that any proposed visit, programs or content delivered by visitors complies with the requirement that education in Victorian government schools is secular and is consistent with the values of public education, Department policies and the *Education and Training Reform Act 2006* (Vic). In particular, programs delivered by visitors are to be delivered in a manner that supports and promotes the principles and practice of Australian democracy including a commitment to:
  - elected government
  - the rule of law
  - equal rights for all before the law
  - freedom of religion, speech and association
  - the values of openness and tolerance
  - respect for the range of views held by students and their families.

### Parent/carer visitors

We understand that there may occasionally be a reason why a parent or carer may want to speak to or see their child at school, during school hours.

If there is a particular pressing or unavoidable issue that cannot wait until the end of the school day, we ask that parents or carers call the school administration office to make the request to speak to or see their child during school hours.

We also ask that parents avoid arranging to visit their children at school wherever possible, as this can cause inappropriate disruptions to the school day.

All parents or carers who visit our school during school hours, other than for the purposes of school pick ups and drop offs or for specific school events (e.g. parent teacher interviews, concerts, assemblies etc), are required to sign in as a visitor at the school administration office.

Parents or carers who are prohibited from entering the school under a court order or direction of the Principal are not permitted to visit the school.

## Other visitors

All business operators, tradespeople and other visitors attending the school to conduct work must report to the school administration office upon arrival for instruction and follow the sign in procedure outlined above.
